No 6735
April 15, 1941

KEROSENE
MYSORE MUNICIPAL OCTROI

Rajamantrapravina K V Anantaraman, B A ,
Second Member of Council,
Government of Mysore,
Bangalore

Sir

For the past several months we have been negotiating through the President of the Mysore Municipality to have our company-operated installation in Mysore declared as a wholesale distribution depot whereby exemptions might be granted allowing free exportation from our controlled stocks into interior markets free of octroi The Municipality has ruled that the maximum period of exemption permissible to be seven days from receipt of stock We respectfully submit that, in view of marketing conditions beyond our control, this ruling is an undue hardship as it makes the operation of our installation most uneconomical

For some time this installation has been making deliveries solely to our Mysore City agent who only sells kerosene within that area of Mysore City subject to octroi regulations Octroi is, therefore, paid on all stocks carried in our installation It is the desire of our Chamarajanagar agent to market kerosene in the interior markets immediately adjacent to Mysore and to export stocks into Coorg and Kollegal It can be appreciated that his dealers at these diverse markets arrive in Mysore at varying times for stocks and our inability to effect supply due to existing octroi rules means a definite loss of trade The volume of our trade is such that replenishing stocks are only received by us in Mysore twice in a given month This means that we can only supply interior market dealers during only two weeks in every month under existing rules

Competitors' Mysore installations are operated by agents - not by the company direct as in our case - and these agents have as their individual territory Mysore City as well as the adjacent markets, whereas we have separate agents for both The volume of competitors' trade is such that they receive replenishment stocks frequently every month and are in a position to make supplies into interior markets during any given week, as the seven days octroi exemption is adequate for their trade requirements

N06735
April 15, 1941

5

We pray Government to grant equitable relief by extending the period of exemption to fourteen days from receipt of stock or in lieu thereof that Government allow us to post a performance bond and that free exportation be permitted under this Company's supervision, or that such other relief be granted as Government may deem just and equitable in view of the facts stated herein

We have the honour to be,
S i r,
Your most obedient servants,
STANDARD-VACUUM OIL COMPANY,

MANAGER

No M5 36 105/42 Dt 8-12-42
forwards a copy of the resolution of the mel cl to the effect that the Co may apply to the Dot for treating their stores as bonded warehouse if there is any difficulty in this respect, they may apply for exemption under action Bye-law No 17(III) for concession charges

7 submitted for perusal. No action appears to be necessary. The papers will be filed after perusal.

25/12.

8) Under the present octroi bylaws in force in the municipality, the period during which exemption is granted for payment of octroi duty is fixed at seven days. The Tonnage & Port Dues Committee by their letter requested that in respect of the storage in municipality, the above period may be extended to 14 days from receipt of stock. This proposal involves an amendment of the existing bylaws of the city municipality.

9) The municipality & all whom we consulted in the matter have stated that, in view of the difficulty of obtaining fuel, no amendments to the existing rules are necessary as there may not be much fuel to travel at all. That was the Kindrat may apply to the Resident for the time being stating the difficulty in this respect. We may accordingly for exemption under octroi bylaws (as mentioned above) asking for concession charges. This ground may perhaps be accepted. The Resident requested to inform the Company accordingly.
